## FRANK DOBSON SIGNS TO COACH COLLEGE CONTRACT

As Foretold in The Times-Dispatch Clemson Coach Will Be Physical Director of Richmond College Next Season—Conference Held Yesterday in President Boatwright's Office.

After a conference lasting more than an hour, Frank M. Dobson, formerly first baseman on the Richmond team, and later coach at Clemson College, S. C., signed a contract by which he will become the first physical director of Richmond College, having absolute charge of all branches of athletics.

Dr. Boatwright, president of the college, and Dr. Harris, president of the athletic council, were present at the conference, which took place in President Boatwright's office. There were several points to be discussed, but all differences were quickly settled. Immediately after signing the contract, Dobson left for Cincinnati. He will return later in the week, when he will make arrangements for locating permanently in Richmond.

As told in The Times-Dispatch Friday, the question of changing the athletic policy at the college had been under serious consideration for some time. It was likewise told that Dobson was the man under consideration. The student body was strongly in favor of Harry Griffin, whose work as assistant football coach and director of the baseball team had made a most favorable impression, prepared a petition asking that Griffin be retained, and that the athletic council reconsider its decision. However, after mature consideration and thought, the fellows came to the conclusion that the course pursued was the best for the ultimate success of athletics, and last night the vast majority expressed entire satisfaction upon the action of the athletic body.

Dobson comes to the Spiders as a trained athlete. Not only has he seen professional service, but he has just recently completed a course of study at the Yale Physical Training School. He has had charge of numerous college teams with unvarying success. Young, well trained, with an unusual amount of enthusiasm in his work, and with ability of the highest order, he should be able to start the Spiders on a successful athletic career.

Equally able to take care of football, baseball and track, his fund of information along technical lines, as related to physical culture, will be of inestimable value to the men who have no desire to take part in any of the games played, but who desire to round themselves along all athletic lines. Dobson will prove more than a coach and trainer, he will prove a tutor in the proper development of the student body physically.

It means a new era in the life of Richmond College. Not that athletics will be allowed to overshadow the more serious work, but because by producing teams that will be fit representatives of the growing institution, an esprit corps will be created.

## AMERICA LEADS IN TENNIS MATCH

McLoughlin Defeats Captain Stanley N. Doust, Gaining First Leg for United States.

New York, July 9.—Maurice E. McLoughlin, the California tennis star, defeated Captain Stanley N. Doust, of the Australian team, in three straight sets to-day, giving America the first leg of the Davis Cup elimination series and the opportunity of meeting the German team next month in the second round. The winners of this match will meet in the finals the winners of the Canadian-Belgium-South African contest. The British team will then be called upon to defend the trophy it now holds by virtue of last year's victory.

McLoughlin was never in better form than to-day when he took his opponent into camp, 6-4, 6-2, 6-2. His terrific service put the Australian always at his mercy, and the Californian tried several times to overcome this by his smashing returns at the net, the result was never in serious doubt to the large crowd of "fans" who watched the play.

When the final point had been lost and won, McLoughlin leaped over the net and catching Doust in his arms, expressed his sympathy. The plucky Australian shook hands heartily and proposed to the crowd that three cheers be given for the United States lawn tennis association under whose auspices the match was held. These were given with a will.

It was announced to-day that the American team will sail on June 28 on the new liner Imperator. This boat was selected, it was said, because there was a tennis court on the upper deck where the players could practice on the voyage. McLoughlin, Hackett, Williams and the other United States players will go to meet the Germans.

## NEWPORT NEWS RIDES INTO FIFTH PLACE

BY GUS MALBERT.

While they weren't looking, or, to be exact, while they were resting, Harry Matthews and his overtime maulers, gunned off into the fifth place of the standing column over Norfolk, leaving Charlie Shaffer, business manager of the Tars, and George Kircher, active general in charge, doing a cross between the Boston glides and the Tango in a mad endeavor to keep up with the procession. The Tars couldn't play yesterday, which is one reason why they haven't a strangle hold on last place, since Richmond was to be their antagonist, and Richmond has a jolly way of maltreating unsuspecting Tars.

Since there are no Carlises making rhetoric nowadays, the bald news must wait. After trailing all the way, Newport News is out of last place. Even though Harry Matthews may not be the most popular gem in baseball, he has taken the Shipbuilders out of the ignominious depths and placed them where they may breathe more freely. He has a fifth place berth for a crowd that were 100 to 1 favorites for the bottom station. No longer are the rivet experts to be sneered at. They

have won decisive victories over the best in the Virginia League, from Richmond down, the last victims being Lee Garvin's Pirates.

Such performances as Matthews has been giving are not to be derided, and

a team that can come from beneath the smothering blankets and win in a catch-as-catch-can engagement is worthy respect, if not a pennant.

And in the meanwhile Richmond has accumulated two postponed games with Norfolk. One may be played off to-day. It is entirely within the province of Manager Kircher to say whether it shall be as the league rules hold that postponed games shall, when possible, be played off in the series in which they occur. There is to-day and tomorrow, and three games may result. Doc Ayers is still the favorite as a starter, and Weeder is the holdover for Norfolk. If a double bill is programmed Jim Vance will work in the second, with Charlie Strain in the third, and Harry Griffin starting against Portsmouth here.

Charles Luskey goes to the Allentown club, in the Tri-State League. Billy Coughlin, who captained the Washington club, when the Kansas City franchise was transferred to the capital, and who now manages the Keystone bunch, wired Luskey to report at once, and he leaves to-day for his new home. There will be no number of fans who will be sorry to see him go, but who will wish him success.

## OLD DOMINION TENNIS TOURNAMENT IN FULL SWAY

Preliminary Rounds Played Yesterday on Courts of Country Club—Zinn and Johnson Will Not Attend—Mrs. Sullivan Picked to Land Cup.

The first day's play in the Old Dominion Tennis Tournament at the Country Club of Virginia produced no surprises unless it was the defeat of O. C. Shaner, the Lynchburg crack, by W. E. Buford, in the first round of the men's singles. A rather high wind interfered with the players and made accurate play almost impossible. Despite the raw weather, a fine gallery was on hand and enjoyed the play. Mrs. Willard Sullivan, the popular choice for winner in the women's events, easily defeated Miss Martha Robinson in two straight sets.

Neither George Zinn nor Johnson, of Norfolk, will be in attendance, much to the disappointment of the tennis committee. Chairman Trigg made this announcement immediately after receiving telegrams that the two stars would be unable to attend. The real test comes to-day in the men's doubles. The results of yesterday's play and the drawings for to-day follow:

## Results in Men's Singles.

Preliminary round—John A. Coke won over W. E. Eyre, by default. W. E. Buford defeated John W. James, 6-1, 6-2. O. C. Shaner defeated Walter Hubbard, 4-2, 6-2. First round—D. ## GOOBERS RALLY IN NINTH INNING

Cooper and Perryman Battle for Honors, With Petersburg Luckier Than Roanoke.

Roanoke, Va., June 9.—A grand game featured by a thrilling rally in the ninth, was won by the Goobers. Perryman and Cooper were the opposing hurlers, Perryman pitching the best ball. Cooper was wild, giving eight bases on balls and hitting one batsman, allowing five clean drives, one a double, while Perryman gave seven hits, four of them rapped scratches. Cooper was invincible in the pitching, except in the ninth, when Gardin hit to deep left against the ball, but Blackstone made a fine run and pulled in the drive.

Spy singled and Latitte rammed one to left centre for two bases. Spy scored. Efrd batted for Perryman and walked. McCrackin hit a line drive over second a little to the right of the bag, which Krepps made a grand catch of, doubling Latitte off second, and the game was over. Roanoke earned the only run, while Blauser's error, the buff of an easy fly with two out in the fourth, gave Petersburg their first run, and Irmscher's wild throw on Spencer in the eighth enabled Petersburg to score the other run. The visitors put up a clean game in the field, which was all that saved them. To-morrow the Tigers will raise the pennant, Efrd pitching against Richmond. A great crowd is expected. The score:

## YALE COACHES WELL SATISFIED

Gales Ferry, Conn., June 9.—The Yale rowing coaches closed the day without time rowing. Both at the morning and afternoon practice workouts of about five miles each were attempted at about a 28-stroke. Racing starts and three-quarter-mile brushes with the freshmen were tried by the varsity eight to-night, over a river surface stirred by hardly a ripple. F. C. Rowe, an Oxford graduate, and former college oarsman, joined Coaches Gold and MacLagon, the regular Oxford coaches, at Yale, to-day. Captain Snowden, of Yale eight, said to-night that he expects that no more changes will be made in the varsity eight, and that it will meet Har-

## DANIELS TO HEAR THEIR COMPLAINT

Secretary Will Listen to Statement of Grievances by Navy Yard Employes.

Washington, June 9.—Secretary Daniels will grant a hearing Wednesday morning to representatives of distressed employes in the Washington, Norfolk and Charleston navy yards. The Norfolk employes have complained that the compensation is inadequate and assert that employes of the Philadelphia yard receive a higher wage for the same class of work. The Charleston workers are opposed to the so-called "seniority system" whereby compensation is determined by the amount of work done. It is expected that in addition to delegates chosen by different yard organizations, representatives in Congress from districts affected by the proposed changes will be present. The Naval Board of Inspection for shore station will leave Norfolk, Va. Wednesday on a tour of inspection of Southern navy plants, having completed visits to all stations east of Norfolk. The board, which is composed of Rear-Admiral John R. Edwards, president; Captain George R. Evans, Naval Constructor V. G. Dubose and Civil Engineer Archibald L. Parsons, will go first to Charleston, S. C., afterwards visiting Pensacola, Key West, New Orleans and all other ports where the department has property.

## Colts Unable to Play

Norfolk, Va., June 9.—Because of the condition of the field after the heavy rains of the past few days, the game between the Tars and the Colts this afternoon has been postponed.

If the weather is favorable, the formal opening of the new park will occur to-morrow afternoon.
